Dear Mr. Levay:

The amendment to your mining notice (UTU-070669) to conduct bulk sampling operations on unpatented mining claims, UMC serial number 281017 located in Sec. 5, T. 24 S., R. 9 W., SLBM, was received on August 29, 1994, and has been accepted by this office. Also the amendment to your mining notice (UTU-072851) to conduct exploratory drilling on unpatented mining claims, UMC serial numbers, 294072, 294078, 294100, 294096, 294102, 294176, 294177, 294122, and 294132 located in Sec. 27, 34, and 35, T. 23 S., R. 9 W., SLBM, was received on August 29, 1994, and has been accepted by this office.

It appears that a mistake was made in our Notice of Intent acceptance letter that was sent to you on July 1, 1994. The case file number indicated, UTU-072854 was not correct, the correct number is UTU-072851. Please make a note of this, and use this number (UTU-072851) in any future correspondence concerning this notice.

If you change your operation from what is described in your notice, you are required to contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, stipulated by the Richfield District, Warm Springs Resource Area. Please follow these guidelines as they pertain to your operation.

A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this notice with them. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). DWQ should contact you concerning any permits you

may need, however their failure to do so does not absolve you from responsibility for obtaining the same.

You are required to report to this office, all hazardous materials associated with your operation along with information regarding their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials can be obtained from the State of Utah, Department of Environmental Quality, Division of Solid and Hazardous Waste at:

288 North 1460 West
Salt Lake City, Utah 84114-4880

You are required to contact the Department of Environmental Quality (DEQ), Emergency Response Section (ERS) at the Sections 24-hour response number (801-536-4123) immediately of a spill or discharge of hazardous substances.

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your amendment.

Sincerely,

Rex Rowley
Area Manager
